

AutoTrades Client Agreement

By utilizing AutoTrades platform, you agree to be bound by the following terms and conditions. This is a legal agreement between you and OSPX for use of the website, data Global AutoTrading Inc platform (AutoTrading), and products and services which you selected or initiated, which may include the Global AutoTrading trading platform and signal providers. The Global AutoTrading platform is an auto-trading system. The AutoTrades platform receives trading signals from OSPX. Once the signal is received, Global AutoTrading Inc validates the signal and confirms whether it is consistent with the Investor's account settings and preferences. If the signal is accepted, Global AutoTrading Inc sends the trading signal for execution.

1. Terms

The terms used in this Agreement are interpreted as indicated herein below. If some of the terms are not described in this Agreement, they are interpreted according to "Customer Agreement" of OSPX

1.1 Company – OSPX - 9 Old Kings Road STE. 11B Palm Coast, FL 32137

1.2 Client – an individual or a company, which concluded the corresponding Customer Agreement with the Company and has an open trading account.

1.3 AutoTrades – a copy trading investment platform provided by Global AutoTrading Inc.

1.4 Investor – the Company's client, registered as an Investor and who copies the Trader's orders, gets % from the Trader's profit.

1.5 Offer – an electronic form of a Traders' public offering, according to which an Investor can subscribe to copy trading signals. The offer cannot be considered as a formal agreement between an Investor and OSPX as it just describes conditions of their cooperation within the framework of Global Auto Trades.

2. Risk Disclosure

2.1 An Investor agrees with the fact that participating in Global Auto Trades is associated with risks. An Investor fully accepts risk of possible losses that can occur as a result of activity of the Company during the chosen Offer. The Company does not provide investment advice, nor provide any personalized investment recommendations and/or advise Client on the merits of anit's own risk.

2.2 An Investor accepts risk of the fact that execution price of orders on their account may differ from execution price on account of the Company's due to Market execution. The Company doesn't compensate for a possible difference in profit/loss and commission for such transactions.

2.3 An Investor accepts risks associated with the fact that a Company does not have a license confirming it's qualification.

2.4 An Investor accepts risks of possible losses due to the fact that Company may partially close it's position and it will lead to closing current position and instant opening of new position on the account of an Investor. The new position on the account of an Investor will be of equal relative size to the position of Company.

2.5 An Investor accepts risks that the total margin requirements for accounts of a Company and an Investor may differ.

2.6 An Investor accepts possible risks of losses or lost profit that may occur due to rounding of values when using flexible settings of volume during copying of transactions of the Company.

2.7 An Investor accepts risk of possible losses or lost profit that may occur due to incorrect settings of copying, as well as inability to edit settings after connecting to Company's Offer.

2.8 The Investor accepts risks of the fact that Investor may not have enough experience and knowledge that may affect results of trading on Investor's account and Company's commissions.

2.9 The Investor accepts risks of non-receiving the total amount of commission because of the fact that an Investor may not have sufficient funds for performing such operation. The Company bears no responsibility

and doesn't compensate for the difference in commission in such cases.

2.10 Volatility or illiquidity in the equities markets may prevent orders from being executed at advantageous prices, or at all. The Company shall not be liable to any person for any losses, damages, costs or expenses (including, but not limited to, loss of profits, loss of use, direct, indirect, incidental or consequential damages) occurring because trades cannot be executed due to market conditions. Investor accepts risks of non-receiving commission because of the fact that Investor may not have sufficient funds for executing an order. The Company bears no responsibility and doesn't compensate for non-executed orders for such cases.

2.11 The Company recommends that Investors should be cautious when using a mobile device for trading or receiving data from the Global AutoTrades platform. Handheld mobile devices depend on wireless connectivity, are subject to the limitations of 3G, WiFi, and GPRS networks restrictions. OSPX shall not be liable to any person for any losses, damages, costs or expenses (including, but not limited to, loss of profits, loss of use, direct, indirect, incidental or consequential damages) resulting from the Investor's use of a handheld mobile device.

3. Responsibilities of parties

3.1 Responsibilities of an Investor.

3.1.1 Participation in AutoTrades as an Investor implies the absolute acceptance of this Agreement. An Investor confirms the fact that he has carefully studied the Customer Agreement, this Agreement, and the conditions of the Offer he chose.

3.1.2 An Investor accepts the fact that the Company's profitability over the past periods does not guarantee the same results in the future.

3.1.3 An Investor accepts that the minimum deposit specified in a Company's Offer is just the minimum threshold required to connect to a Company's Offer.

3.1.4 An Investor agrees that Company can use any trading strategy. Company perform trading operations, using it's own funds; it is not a trustee of an Investors' funds and don't provide them with consultations.

3.1.5 An Investor assumes responsibilities for having enough funds on his account to execute orders and sustain positions regardless whether they were copied, opened manually or by an Expert Advisor.

3.1.6 An Investor agrees to pay the Company per the following Performance Fee structure. The remaining of earned money will stay in the Investor's account.

1. Performance Fee Structure:

Performance Fee Structure

- 25% of profits will be rendered to Company after second month moving forward.
- 2. Performance Fee. Client shall pay to Company the "Performance fee %" per month on the Return on Investment (RIO) generated in Investor account for the closing month. Due date for Performance fee payment shall be the 7th day of each calendar month and shall be considered payment for the prior closing month. If not remitted on the 7th day. Commission shall be considered overdue and delinquent on the 10th day of each calendar month. Acceptable forms of payment of Commission Fee to Company shall be online eCheck, personal check, money order, cashier's check, wire transfer. Payment shall be made to Company under the following name and address: OSPX - 29 old kings Rd N STE 11B, Palm Coast, FL 32137. In the event that any payment by Client is returned for insufficient funds ("NSF") or if Client stops payment, Company may require in writing that Client pay Performance Fee in form of a wire transfer for three months, and that all future Performance Fee payments shall be remitted by Client to Company by money order or cashier's check.
- 3. LATE CHARGE. In the event that any payment required to be paid by Client hereunder is not made within three (3) days of when due, Client shall pay to Company, in addition to such payment or other charges due hereunder, a "late fee" in the amount of 5% per month of due invoice.

3.7 Investor agrees to upload monthly brokerage statements at the end of email months by means of OSPX investor's portal or by emailing a copy of the monthly statement to autotrades@osp.com. Investor agrees that all information provided to our accounting department are absolutely true and attest that the statements are not fabricated in any fashion or manner. The Company may request copies of statements up to the date of Investor's initial enrollment to the AutoTrading service. Requests should be made by the 7th day of the date of request or Company may terminate services rendered to Investor. All information provided to Company falls under the same guidelines as stipulated in Company's Privacy and Terms of Conditions.

3.3 Responsibilities of the Company.

3.3.1 The Company bears no liability to participants of AutoTrades for lost profit or losses, which may directly or indirectly occur as a result of trading operations performed or not performed by an Investor or Global

AutoTrades

3.3.2 The Company bears no liability to participants of AutoTrades for lost profit or losses, which may directly or indirectly occur as a result of their ignorance of regulatory documents or cooperation schemes.

3.3.5 The Company is not liable for:

- a) Intentional or unintentional non-observance of Investors' interests by Global AutoTrading Inc. In this case, all possible risks fall on Investors.
1. b) Fraud with Investors' funds on behalf of a GlobalAutoTrading Inc, In this case, all possible risks fall on Investors.
2. c) An Investor's losing access to their trading accounts, as well as the third parties' gaining access to these accounts. In this case, all possible risks fall on an Investor.
3. d) Unforeseen delays when withdrawing funds or transferring them between accounts (if these delays occur through no fault of the Company).
4. e) Technical malfunction, if it occurs through no fault of the Company, but of the Company's partner or other parties, who are not the Company's employees.
5. f) Investors' losses, if they occur during the maintenance operations on Global AutoTrading Inc's servers.

4. Dispute resolution

4.1 In case a participant of AutoTrades is not satisfied with any of its aspects, he has the right to file a complaint according to the OSPX Customer Agreement.

4.2 A complaint will not be considered if it isn't written in accordance with the Customer Agreement.

4.3 A complaint will be considered and the decision on this complaint will be made based on the OSPX services including customer agreement and this agreement.

5. Application of the AutoTrades Agreement

5.1 This AutoTrades Agreement comes into effect for both the Company and its clients on the date of opening a trading account. The termination date of this document is the same as the termination date of the Customer Agreement.

5.2 In case any conflicts between articles of this Agreement, the Customer Agreement, or any other regulatory document of the Company arise, the articles of this document are considered prevailing over the articles of other regulatory documents.

5.3 AutoTrades is the Global Autotrading's self-design project. The terms and the ways of calculation may differ from the terms of other similar services in the field.

5.4 The Company has the right to make amendments to the articles of this Agreement any time. The changes come into effect and become obligatory for a client on the date specified in the received informational message.

6. Intellectual property

All Company's intellectual property assets including but limited to all copyrights, trademarks, patents, service marks, trade names, software code, icons, logos, characters, layouts, trade secrets, buttons, color scheme and graphics are our sole and exclusive IP and are all protected by local and international intellectual property laws and treaties including all copyright laws and regulations. You may not use these images in any way other than the manner which the Company provides them. You are not permitted to use any of our images and/or content for any other purpose without obtaining our prior written consent.
